

Website Privacy Statement

Application

This Privacy Statement applies to N2 Network of Networks (N2) website. Information collected through this website falls into two categories: aggregate information and personal information.

Collection and Use

Aggregate information is information from which individual user identities or characteristics have been removed. When a user accesses the N2 website, aggregate information is collected automatically to better understand website traffic patterns (e.g., total number of visitors, most visited sections, peak traffic times). None of this information is personally identifiable.

Personal information is any information about an identifiable individual. When we collect personal information about you through the website, we do so only if you consent to provide it to us. Specifically, there are three ways we may collect personal information about you:

- 1) If you register to join our mailing list through MailChimp, we collect your email address to send you our publications and information about events;
- 2) If you send us an inquiry through our website, we only collect your email address in order to respond to you; and
- 3) If you register for an event, we collect your personal information required to administer that event and to send you information about future events.

You may unsubscribe from receiving any communications from N2 at any time, by sending a request to: n2@n2canada.ca.

Disclosure

N2 will not disclose your personal information other than when N2 provides event registration services for a third party, N2 will provide your registration information to the relevant event sponsor(s).

Links

The N2 website may contain links to one or more third party websites. Please note that third party websites are not controlled by N2, and this Privacy Statement does not apply regarding any personal information that you provide to third party websites.
