

QUALITY COMMITTEE

Velma Marzinotto (co-chair)
Jennifer Woo (co-chair)

ABOUT THE COMMITTEE

The N2 Quality Committee provides collegial and constructive advice in relation to research quality and compliance. The committee's focus is to support the N2 membership in quality matters. The efforts of the committee contribute to the on-going goal to make tools and resources available for member organizations to help improve or make incremental improvement within existing processes to ensure quality research.

QUALITY COMMITTEE TOOLS & RESOURCES

INSPECTION MENTORSHIP

Function as a mentor to N2 members for Health Canada Inspections

QUALITY ASSURANCE SUBCOMMITTEES

Internal Quality Assurance Programs Subcommittee (includes quality management tools & resources)

2019 ACCOMPLISHMENTS

1

Quality Management System tool

2

Study Risk Assessment tool

3

Risk based Monitoring plan

At the end of 2019, Velma Marzinotto retired from St. Michael's Hospital. N2 and the Quality Committee wish all the best to Velma in her retirement. The committee is looking for a new co-chair to help continue their great work.

PLANS FOR 2020

The N2 Quality Committee is working on a guide to Conducting Cannabis Studies at Academic Research Institutions.
